I think I LOVE you!

William Tell, 1976.

Triple trouble!

They don't call me "Bubbles" for nothin'

Bottoms up!

You're putting me on?

And in this corner the fabulous Joiner who blows a 48' bubble.

You'd better hold on to him, Jenny!

Don't do it, Dr. Jekyll!

Beth and all her Bowers!!

Chameleon in your hair . . . shame on youuuuu!!

Let's see you eat a banana cream pie that fast!

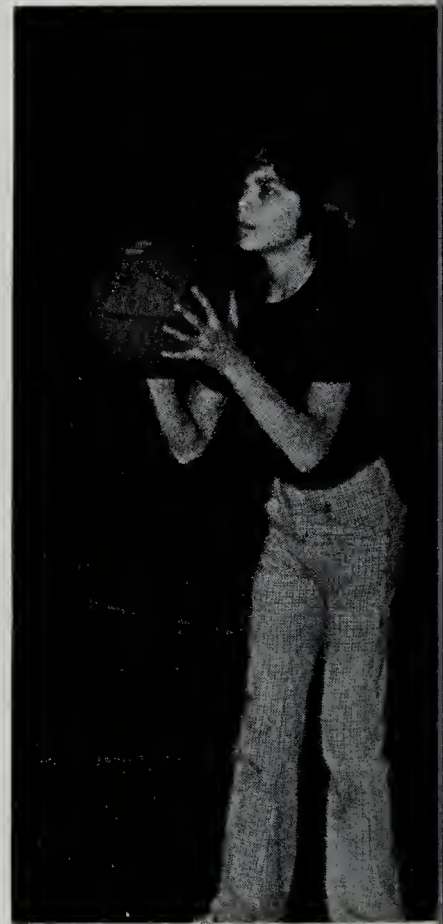

Gotcha, Robert!

I know, I know—you told us not to open it.

You call him your Starr pupil??

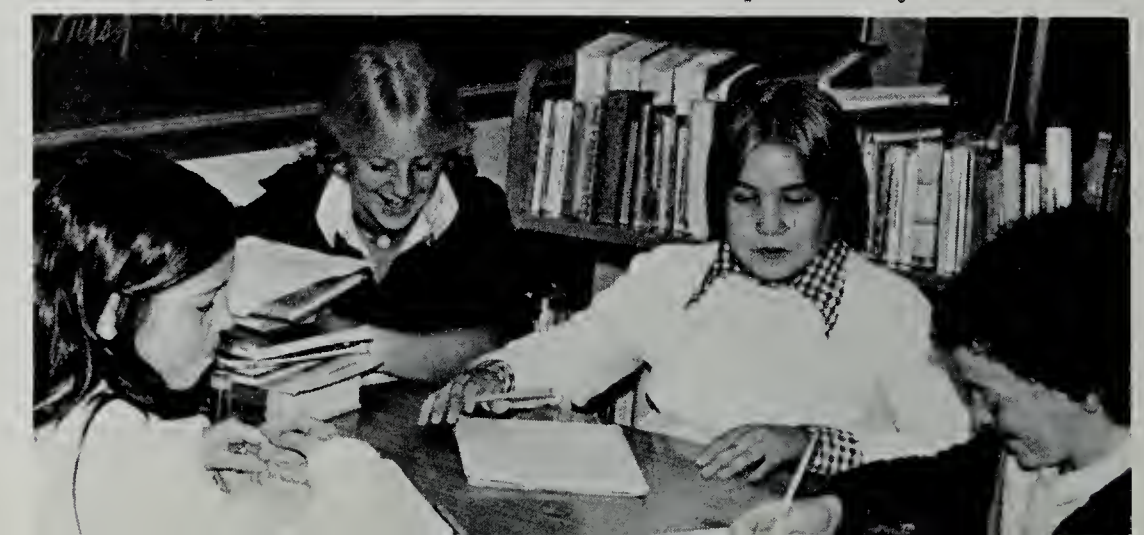

If I don't make it, I'll . . .

What an exciting dance!

Tickles, huh, Wendy?

You'd better put "Don't Read" on the outside of that journal entry!

To  
a nice person  
who I've known  
for a long time  
have a good summer  
and I hope to see you next  
year

## World of Fears

Don't do this, don't do that  
Be careful of this, watch out for that  
Don't talk to strangers  
Don't act stupid  
Don't be rude  
Don't stay late and  
Don't lose your money  
Don't lose your coat  
Don't lose your head  
And don't get lost.

Best wishes, Brian  
 Thanks for all your  
 cooperation. Have a  
 nice summer.

Give me sunshine  
Give me open spaces  
Give me a peaceful river  
To sit beside  
To put my mind at ease.

This year Robinson's Intermediate Student Government saved the student body from a year of boredom and poverty. Not only did they raise money for the school, but they also had two dances and a variety show. To make the year even more exciting, they planned an after school sock hop, an all star-faculty basketball game, and a 50's spring dress up dance. With some of the money they raised, the Student Government purchased two books for the Library in memory of DeDe Linton.

The officers this year were Kim Hardage, President; David McCreight and Barbara Bell, Vice-Presidents; Barbie Hess and Margo Stephenson, Secretaries; and Tina Sorrentino, Treasurer. All in all, it was a very successful year.

Left to Right: Barbie Hess, Margo Stephenson, David McCreight, Kim Hardage, Barbara Bell, Tina Sorrentino.

The Robinson Intermediate Music Department has continued to be one of the highest scoring music departments in the Region. The Cadet Band entered 35 people in the All Regional Band Competition. Out of the 35 participants, 25 were selected for the All Regional Band. The Chorus did equally as well with 50 students making the All Regionals out of 100 competing. We are very happy to have the Robinson Intermediate students representing us throughout the County.

The Sentry staff worked hard writing copy, doing layouts, and developing pictures all year long. In order to put together this great yearbook, they worked after school and came back until late at night. The staff would like to thank Mrs. Clement and Mrs. Marshall for devoting all of their time to work with them and produce this yearbook.

A small, but determined, Medallion staff worked steadily this year to publish a newspaper to keep everyone updated on new Robinson events. The paper is sponsored by Kathleen Shea.

Many people participated in Intramurals. It was a good way for everyone to have fun. The Intramurals consisted of football, soccer, basketball, and gymnastics.

Intramural soccer had excellent participation with over 100 people seeing action. Varsity soccer coach, Fred Clark, ran the program which had four teams playing in the league. The teams were made up of boys and girls from 7th and 8th grade. The season ended with an All-star game in which the 7th grade won 2-0 over the 8th grade.

The district gymnastics meet was held at Robinson in March. The team worked hard on their routines with help from their coach, Miss Judy Landolt.

The seventh grade basketball intramurals consisted on nine teams who played a regular season through March. The program was run by Mr. Jan Hanna, who also acted as referee. The eighth grade basketball teams were coached by Mr. John Hughes. There were 11 teams, and at press time the selection of the All-star team was being made to play against the faculty. Mr. Hughes also coached the football intramurals.

# *In Memoriam*

DeDe Linton  
April 15, 1963  
December 4, 1976

The Littlest Angel

She left us during the Advent season, and she was the youngest and most fragile of the heavenly angels during their Christmas celebration. She must have had just a little trouble keeping her halo intact. Certainly she giggled a little occasionally during solemn ceremonies and sang too loud and walked too fast—undignified for an angel. Periodically she still gazes down on her family, her friends, her horses, and her school; and as some wisp of a memory of her catches in our mind, she, too, ponders her departure.

Joycelyn Gilmore

I enjoyed being with DeDe. We would go horseback riding together and eat lunch at the club.

Amy Sandin

DeDe never had a frown on her face. She was a great sport even if she lost. Holly Smith She could get carried away, but so could everyone else. She was very talented at music and horseback riding. We all loved her for being DeDe.
